International Regional Anaesthesia and Multidisciplinary Musculoskeletal Ultrasound Congress on Pain Management (MSK US PM) 2016

28 - 30 April 2016 • Bangkok, Thailand

Please Mark Your Diary Now!

IRA MSK US PM 2016, an excellent chance to share clinical experience in a multidisciplinary setting allowing wide exposure to leading experts and opinion leaders in the field. The scientific programme will cover cancer and non-cancer pain, ultrasound versus different image techniques in diagnosis and pain interventions, and clinical problem learning approach with hands-on workshops. To allow the attendee a greater opportunity to learn clinical pearls with world experts with practical skills, a cadaveric sonoanatomy full day workshop with dissections is offered this year.
